

2017 New Student Orientation

During orientation, incoming Bulldogs are greeted by current students, learn more about the resources and tools for success, expectations for being a college student, and meet their fellow classmates. Additionally, students explore with their first year experience transition leader, and map out their future... The goals of our dynamic orientation experience include:

- Welcoming new students to the Wilberforce community
- Providing incoming students with important information about WU and strategies for their success
- Introduction of WU academic and social expectations
- Connecting to new students to the WU First Year Experience
- Creating community
