

Wilberforce University is excited to connect students and alumni through the L.E.G.A.C.Y. Mentoring Program. This mentoring program will provide first year students with a chance to network, learn more about their desired career, and gain insights into the transition to professional life and other valuable learning opportunities. Participants will have the opportunity to meet virtually, and in-person during various times of the year. If you would like to be considered for this year's program, please fill out the following information and return to:
