# **Annual Security & Fire Safety Report**

October 1, 2015  
2012-2014

James O. Berry  
Chief of Police  
Wilberforce University

**DEAR WILBERFORCE CAMPUS COMMUNITY MEMBER**

Fighting crime on a college campus is the responsibility of all stakeholders on the campus, which includes Campus Police, Students, Faculty and all Staff members. Wilberforce University follows and supports a Community Policing Model predicated on partnerships with all stakeholders to eliminate crime and to make our campus a safe and secure living and learning environment. In addition, Wilberforce University utilizes a university COMPSTAT statistical approach to crime, deploying resources to the areas with the most crime for quick eradication of problematic situations.

This Campus Security Report and Fire Safety Report have been developed to inform members of the Wilberforce Campus community about safety programs that are available to them and information on crimes that have been reported to Campus Police. These reports and the safety measures included are also part of our commitment to make Wilberforce University one of the safest campuses in the state of Ohio. This report is also in compliance with the Federal Crime Awareness and Campus Security Act of 1990, and subsequent amendments that led to its being renamed the Jeanne Clery Act in 1998. This report is also in compliance with VAWA and SaVE Act relative to violence against women and dating violence on campuses, which was passed and signed by President Obama on March 7, 2013.

The Wilberforce Police Department is requesting help from everyone to make our campus safe and secure. We can detect, investigate and arrest perpetrators of crime, but prevention is the best method to suppress crime. We are requesting that you do your part in preventing crime by securing your property and reporting suspicious and unlawful behavior to the Campus Police Department, Working together, we can keep our campus safe. Remember: See it! Hear it! Report it!

Sincerely

James O. Berry  
Chief of Police  
Wilberforce University

## WUPD POLICY DISCLOSURES

### Reporting Crimes and Other

#### *Encourage Prompt and Accurate Reporting of Crimes*

The WU Campus Police Department encourages anyone with knowledge of a crime on campus to report it. In order to maximize safety on campus and assist in prompt investigations, we ask that you report to the campus police any incident that may qualify as homicide, sex offense, robbery, aggravated assault, burglary, motor vehicle theft, arson and any hate crime involving bodily injury for inclusion in the Annual Campus Security and Fire Safety Report.

#### *Reporting On Campus Crimes and Other Emergencies*

To maximize safety on campus, the WU Campus Police Department strongly encourages anyone with knowledge about any crime, suspicious activity, or unsafe action or conditions on campus (either as a witness or as a victim) to make an immediate report to the campus police in person or by telephone. Reporting does not mean you must take legal action—it may, however, help police officers stop further incidents as well as help them keep the community informed about criminal activity.

Reports can be filed at the campus police department located in the basement of the Wolfe Administration Building. To make a report by phone, call (937) 313- 9049 and describe the situation to the police officer on duty. All emergencies, including fires, call 911. WU students requiring non-emergency medical care may contact the Student Health Center at x5506. Students seeking counseling services may contact Rev. John E. Freeman,

Dean of Student Services at (937) 708-5611 or the crisis hotline at (937) 376-8702.

If you are uncomfortable making a crime report to the campus police, but would like to help ensure the most accurate accounting of all criminal incidents on or around campus, we encourage you to report the criminal incident to one of the Wilberforce University campus authorities.

### Timely Warnings

The Chief of Police, after conferring with the university president, will advise members of the campus community on a timely basis about a significant emergency or dangerous situation involving the immediate threat to the health and safety of the campus community. These efforts include the following: the student newspaper, special alerts, memos, posting physical signs, and university web site.

### Campus Law Enforcement

#### *Enforcement Authority*

The Wilberforce University Campus Police Department became a law enforcement agency in May 1991 by action of the Wilberforce University Board of Trustees. All officers have received the required hours of basic training and are certified by the State of Ohio Peace Officers Training Council. Officers are armed and are required to complete an annual State Firearm Qualification Course. Each officer is vested with the same powers and authority that are vested in a police officer of a municipal corporation or a county sheriff under Title [29] of the Revised Code. They have the power to arrest and bring before the proper court persons violating the law on university property. WU Campus Police also have a mutual aid agreement with the Greene County

Prosecutor's office to assist other jurisdictional police within Greene County, Ohio.

## **Buildings and Grounds Security**

### ***Introduction***

Wilberforce University is committed to providing the members of the campus community and visitors with the safest and most secure environment possible. However, even the most extensive initiatives cannot succeed without the awareness and cooperation of the community members who work, study and live on campus.

### ***Residence Halls***

Wilberforce University is a residential institution, providing a variety of on campus housing facilities for students. There are two residence halls: One male (Henderson Hall) and one female (Living Learning Center). Entry is attainable through an open foyer. Inside entrances are locked and residents have unlimited access with an ID/Facility card which activates the lock to enter the building, except Living Learning Center where a key or ID card can be used. Campus Police and the residence life staff provide information on safety and security within the living environment. Safety/security policies and procedures regarding locking rooms, building entrances and related precautions are discussed with residents during routine floor meetings and imprinted materials, which are posted and distributed by staff.

Residence life staff are required to report criminal actions, suspicious activities, emergencies and other incidents to the WU Campus Police. Students are encouraged to carry their room key and Wilberforce University ID. More information is available in the Residence Life Guide.

## **Emergency Phones**

### ***Blue Light and Talk A Phones***

There are two types of phones on campus (Blue Light and Talk A Phones), all of which are connected to the 911 system. Simply push the "call" button and you will be connected to the WU Campus Police. The call will be routed to a 9-1-1 operator after three rings.

There are seven Blue Light phones that cover the campus. Six phones are mounted in stainless steel wall-mount housings and topped by a blue light which goes on after dark. These phones are located outside Walker, King, Stokes, Wellness Center, Alumni Multiplex, and the old Bookstore (near Henderson Hall). Also, a Blue Light phone is mounted on a solar/cellular design pole with blue light on top at the "Fountain" pathway.

Emergency Talk A Phones are located in corridors of the two residence halls. Elevators in the residence halls are also equipped with emergency phones.

## **Emergency Notification**

The University has partnered with ONE CALL NOW to employ an emergency notification system. ONE CALL NOW is an Emergency notification system used to send messages and updates within the Wilberforce University network. Registration in ONE CALL NOW is mandatory. Notification messages will be sent by voicemail or by text to cell phones of faculty, staff, and or students. Registration is available at [www.wilberforce.edu](http://www.wilberforce.edu).

## Reducing Crime and Improving Campus Community Life

### *Investigation/Crime Prevention*

All WU Campus Police Officers receive basic training in criminal investigative techniques. They are authorized to take written complaints and investigate all violations of state laws or university regulations. Reports may be filed at the campus police office or by contacting any of the officers. Reports relative to some incidents may also be taken by the members of the Student Services.

All reports are thoroughly investigated, reviewed and finalized. Incidents involving infraction of state laws are adjudicated through the court and may involve arrest.

Students who violate university policies and procedures will be referred to the Dean of Students. A Student Judiciary Hearing Board will hear matters concerning student violations. Arrest for any infraction of state or local statues does not preclude independent action taken by the hearing board.

### *Crime Prevention*

As part of the university's educational mission, the campus police attempts to inform members of the campus community of ways in which they can reduce their chances of suffering from a violation of their property or themselves. The department's crime prevention program is based upon the concept of eliminating or minimizing criminal opportunities, whenever possible, and encouraging students and employees to be responsible for their own security and the security of others.

A WU Campus Police Officer is designated as the Crime Prevention officer. This officer assists with the coordination of crime prevention activities and the distribution of materials related to crime awareness.

The Crime Prevention officer directs the following prevention programs and projects:

**New Student Orientation:** Presentations on safety and security measures are given to new students and their parents.

**Residence Hall:** Presentations and workshops, brochures, and other printed material are made available upon request.

**Crime Prevention Presentations:** A number of crime prevention presentations are made upon requests from recognized student organizations.

**Operation ID:** The engraving of serial number of owners or recognized numbers on items of value is free of charge.

**Workshops and Seminars:** Workshops and seminars are presented on sexual assault awareness, women's self-defense, violence prevention, drug prevention, and underage drinking, upon request.

### ***Physical Plant Services and Campus Security***

Physical Plant Services maintains the university buildings and grounds with concern for safety and security. Campus buildings and grounds are inspected regularly and repairs of potential hazards are made. WU Campus Police Officers assist by reporting any non-functioning lights or doors or other hazards which affects safety and security.

Students residing on campus should report needed repairs to a resident assistant or plant service worker, so that any repair can be entered into the work request system. If an emergency occurs after normal working hours, students are then to notify their resident director

Staff and students are encouraged to contact the Physical Plant office at x5755 to report potential safety and security hazards in any university building or on grounds, parking lots, and or roads.

### ***Counselor information about crime Reporting***

The university recognizes that the college years are times of transition and growth for students. Therefore, counseling services are available by referral. Services are provided by trained counselors and all information divulged is confidential, unless the counselor deems that you are a threat to yourself or the community.

Under the Clery Act - A Licensed Professional Mental Health Counselor, a chemical dependency program counselor, or a sexual assault victim services program counselor are exempt from the crime reporting requirements. Counselors encourage students to report crimes to the WU Campus Police Department on a voluntary basis

### **Smoking Policy**

Smoking cigarettes, cigars, pipes and or marijuana on the campus of Wilberforce University is prohibited. Students, staff, and visitors are prohibited from smoking within residence halls, educational facilities, recreational facilities, and open spaces on the campus of Wilberforce University. Sanctions will be administered by the Dean of Students for students, and the Office of Human Resources will administer discipline for violation of this policy by staff.

### **Drug and Alcohol Policy**

Wilberforce University is a community characterized by a sense of purpose, serious study and wholesome recreation. Students are required to be familiar with the rules that regulate their behavior on campus. The University Code of Student Conduct specifically states that the possession, use, and/or distribution of alcohol and drugs on university property or at university sponsored activities are strictly prohibited. Students violating these policies may be suspended or dismissed from the university. In addition, students may also be subject to risk for violation of county, state and federal laws regarding the use of alcohol and drugs.

- The State of Ohio prohibits the sale to or consumption of any type of alcoholic beverage by any person under the age of twenty-one. This law also prohibits the sale of alcoholic beverages to any person who is intoxicated or appears to be such. Ignorance of the purchaser or consumer is not a defense. A person who misrepresents his/ her age in order to obtain alcohol is subject to a maximum fine of \$1,000.
- Persons in the Greene County area are prohibited from drinking alcoholic beverages in “any street, alley, park, or parking lot, or in any vehicle in or upon the same.” The penalty for this violation is a fine plus court costs or imprisonment.

- Wilberforce University is unequivocally opposed to the possession, use and sale of illegal drugs. The university has the responsibility of upholding federal, state and local laws regarding the use of drugs. Students who choose to possess, use or sell illegal drugs subject themselves to both arrest and prosecution and university judicial action.

- Wilberforce University complies with the Federal Drug Free Work Place of 1988: Section 1213 of the Higher Education Act of 1965, as amended and other federal, state and local laws.

**Weapons Possession**

The campus police is committed to protecting the campus community. The unapproved carrying, possession, use, sale, or barter of a gun, knife or other lethal weapon, am- munition or other explosives or creating a threat to persons or property by the misuse of a combustible material is prohibited and subject to university discipline as well as to criminal sanctions. Students who are found with any lethal weapon are immediately dismissed from the university and will be arrested.

**Policy on Sexual Misconduct**

Wilberforce University will not tolerate sexual assault of any kind. Therefore, any unwelcome sexual advance, request for a sexual favor, obscene phone call, indecent exposure, act of date or courtship violence, sexual harassment, or other sexual misconduct that is against another's will or that substantially interferes with another's academic efforts, employment, participation in university-sponsored programs or activities is a violation of accepted standards of the university.

Sexual offenses on the part of any member of the university community, students,

faculty or staff are prohibited and subject to institutional disciplinary action and/or criminal prosecution. The Ohio Revised Code outlines sexual assault to include:

- 2907.02 Rape
- 2907.03 Sexual Battery
- 2907.04 Corruption of a Minor
- 2907.05 Gross Sexual Imposition
- 2907.06 Sexual Imposition
- 2907.07 Importuning
- 2907.21 Compelling Prostitution, or any unwanted touching or act that is nonconsensual and committed by the by the offender for the purpose of sexual gratification.

These are criminal offenses and are subject to criminal charges in the State of Ohio. The violations of state law noted above are also violations of the University Code of Student Conduct and may be adjudicated through the university's judicial system. Certain types of these offenses, including rape and sexual battery, may trigger a mandatory academic dismissal hearing pursuant to Ohio Revised Code 3345.22.

***Sexual Assault Program***

Wilberforce University recognizes its responsibility of providing educational programs to promote the awareness of rape, acquaintance rape, and other forcible and non- forcible sex offenses to its students, faculty, staff, and administrators. The campus police offers educational programs to the faculty, staff and students on topics that include rape, date rape, and violence. For more information call x5701.

***Procedures to Follow if a Sex Offense Occurs***

If you are a victim of a sexual assault, the university urges you to get support and information immediately by reporting to either the Director of Residence Life; Campus Police, (937) 313-9049; Dean of Students, x5611, or WU Health Center,

x5506. You can feel confident that any of these university personnel will help and support you through any particular incident. They will advise you about your rights, inform you how to preserve evidence, and discuss your formal and informal complaint options, and ask you to seek medical services through the WU Health Center or the Greene County Hospital Emergency Room. In addition university personnel will assist you in reporting a sexual offense to campus police or Greene County Sheriff department if you so desire. You should note the importance of preserving evidence as may be necessary to the proof of a criminal offense. Students who perceive themselves to be the victims of sexual harassment or abuse and who request a change in their academic or living situation will be accommodated when alternatives are reasonably available.

### ***Preventing Acquaintance Rape***

Rape is an act of violence. Many of us believe that rape is a crime committed by strangers in dark alleys, but in fact, most rapes are committed by acquaintances or even dates. While it is never your fault if you are raped, there are some things you can do to decrease your chances of being a victim. Don't accept a date from someone you don't know at all, especially one that would involve being alone with a person before getting to know him. Avoid going to unfamiliar surroundings with someone you don't know very well. And remember, when alcohol and drugs are involved, your chances of being sexually assaulted greatly increase. Use common sense and good judgment; never be overconfident when it comes to your safety. Taking away the opportunity for sexual assault is a big part of protecting yourself. If you choose to protect yourself with weapons, you must accept the risk that the weapons could be used against you.

Men should try to clarify sexual expectations ahead of time. Remember that you are responsible for your actions at all

times and being intoxicated is not a legal defense for rape. Don't make assumptions when it comes to sexual contact. Communicate clearly and always get consent. A person has the right to say "no" at any point and to have that respected.

### ***Preventing Drug-Induced Sexual Assaults***

Unfortunately, university students nationwide have become victims of drug-induced sexual assaults. A person who has been drugged with Rohypnol, GHB, or Scopolamine may experience drowsiness, dizziness, and disorientation. Speech and motor skills may also be affected, with the drugged individual being unable to remember periods of time as long as ten hours. To protect yourself against drug-induced sexual assault, never leave your drink unattended, only drink from unopened cans or bottles, only consume drinks you have prepared yourself, and avoid group drinks (e.g. punch). If you think you may have been drugged and sexually assaulted, seek medical treatment as outlined in the "Reporting Sexual Assaults" section.

### ***Reporting Sexual Assaults***

If you've been sexually assaulted on campus, report the crime to campus police or the Dean of Students. If the assault happened off campus, report the incident to the appropriate police jurisdiction (a campus police officer) will assist you in notifying them if you prefer). Reporting doesn't mean you must take legal action. You can make that choice later. By reporting the crime, however, you may help to stop a rapist, chances are that he has raped before and will rape again, until apprehended.

If you have been raped, preserve physical evidence that could be useful later. Do not change clothes, bathe, douche, or use the toilet. Do seek medical care immediately, whether or not you report the crime. In addition to taking care of obvious injuries, you need medical care to protect you from sexually transmitted diseases. A physician

can also counsel you about the possibility of pregnancy.

If you have been raped and might consider taking legal action against the rapist, you need to receive medical care and have a medical exam at a local emergency room so the evidence of rape can be obtained and preserved for legal action. Without this evidence, the chances for successful prosecution drop. The exam should occur as soon as possible. You should bring a change of clothes, because clothes worn during the assault will be kept as evidence. If you've already changed clothes, bring along any articles that may have physical evidence.

Sexual assaults can be reported directly to the following Wilberforce University departments:

**Campus Police** (937) 313-9049

**Dean of Students** (937) 708-5611

Also, the Greene County Sheriff's Dept. at (937) 372- 5111

All reports are treated as confidential and students are entitled to know the various options that are available to them in reporting sexual assault cases.

### ***Counseling Services***

Students who have been sexually assaulted are encouraged to seek counseling by contacting the Dean of Students.

Additional counseling services are available at the following counseling service locations:

### **Additional counseling services are available through:**

Greene County Mental Health Services (937) 376-8700  
Greene County Victim Witness (937) 372-5442  
TCN Crisis Hotline (937) 376-8702

From these reports, a daily crime log is provided that contains information of nature of crime, date the crime was reported and date/ time it occurred, location of the crime, and disposition of the complaint, if known. Disclosures that are prohibited by law or that would jeopardize the confidentiality of a victim are not included in the daily crime log. Daily crime logs are accessible on-site at the campus police office. Requests for information more than 60 days old, will be provided within 2 business days.

# Violence Against Women Reauthorization Act

## Overview of VAWA

The Violence Against Women Act (VAWA) was initially passed by the U.S. Congress in 1994 and reauthorized on March 7, 2013 by President Obama. The Act amended the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act), and requires institutions of higher education to compile statistics for incidents of domestic violence, dating violence, sexual assault, and stalking.

## Definitions

The Higher Education Act defines the VAWA new crime categories of domestic violence, dating violence, and stalking as follows:

“Domestic violence” means a felony or misdemeanor crime of violence committed by: a current or former spouse or intimate partner of the victim; a person with whom the victim shares a child in common; a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner; a person similarly situated to a spouse of the victim under the domestic

or family violence laws of the jurisdiction receiving grant monies [under VAWA], or any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction.”

“Dating violence” means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim, and where the existence of such a relationship shall be determined based on a consideration of the following factors: the length of the relationship; the type of relationship and the frequency of interaction between the persons involved in the relationship.”

“Stalking means” engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for his or her safety or the safety of others; or suffer substantial emotional distress.

Wilberforce University is committed to making a good- faith effort to include the following statistics for calendar years 2011, 2012 and 2013.
