

## **Program Learning Outcomes**

### **MUSIC**

A student graduating with a B.A. in Music from Wilberforce University will be able to:

- Demonstrate an understanding of the different styles and structures of music and apply their understanding through their performances.
- Demonstrate competencies in theoretical and aural skills through sight-reading performance.
- Demonstrate theoretical and aural skills through generating and analyzing harmony.
- Demonstrate theoretical and aural skills through improvisational performances.
- Create coherent and artistic arrangements for vocal ensembles using standard music notation software.
- Communicate clearly and effectively on topics of music in written or oral form.
- Demonstrate career readiness skills necessary to smoothly and effectively transition into an entry level position or graduate program in or related to Music.
