This program is authorized by the Ohio Board of Regents and seeking reaccreditation by the Council for Accreditation of Counseling and Related Educational Programs (CACREP)
Clinical Rehabilitation Counseling Program

The Master of Science in Clinical Rehabilitation Counseling Program is designed to meet the growing demand for qualified, professionally trained clinical rehabilitation counselors who want to work in public and private mental health and rehabilitation agencies and institutions.

The 60-semester hour sequence of study prepares students to enter or continue in the counseling field and develop a mastery of knowledge and skills identified by the Council for Accreditation of Counseling and Related Education Programs (CACREP) as requisite competencies for mental health & rehabilitation counselors. The program fosters mental health & rehabilitation scholars/practitioners to serve, directly and/or indirectly, persons with varying disorders.

Admission Requirements

Applicants must have & submit to the Graduate Program Office:

- Official transcripts from all colleges/universities attended (except from WU).
- 3.0 GPA
- Three letters of recommendation and rating sheets from faculty and/or professionals in related social services fields
- A completed Graduate Rehabilitation Counseling Program application
- Resume or Curriculum Vitae
- A typed autobiographical statement including: career goals and views on diversity and culture
- A non-refundable application fee of $40
- GRE or MAT scores

Have a copy of your score report sent to the Graduate Program address listed in the brochure. An acceptable score on the GRE (Graduate Record Examination) or MAT (Miller Analogies Test) and should be taken within the last three years. This requirement may be waived if the cumulative undergraduate GPA is 3.0 or above on a 4.0 scale.

Test scores are not used in isolation but will be considered along with the following criteria: academic performance and potential, career goals, personal characteristics, leadership ability, and writing skills. Once materials are reviewed, potential candidates will be called for an interview with the Program Committee.
